Dear Sir/Madam,

Sub: Satisfactory / Appreciation Letter for Time Tech Attendance Solution

It's a great privilege to inform you that we are using Time Tech Attendance Management System developed and provided by the well-esteemed organization D3-Digital Data Dimensions – Kingdom of Bahrain. Since 2014 it's been in smooth operation till date.

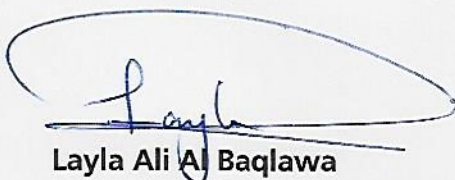

Labour Market Regulatory Authority employees use Time Tech attendance system in all branches throughout Bahrain with attendance devices that contain camera, finger, and card. It's a secure advanced system with an auto-online process with 24-hour flexi time & shifts including the features of employee self-services & email notification for higher management. The output of the attendance system could be integrated with the Civil Service Bureau system.

With the support of D3-Digital Dimensions IT Solutions, we have a complete end-to-end system which enables us cohesively and efficiently manage our resources and improve the productivity of the employees in addition to supporting the HR Department.

We are satisfied with the services provided by D3-Digital Dimensions IT Solutions, as services are provided when required.

We wish you all the best for your future growth.

Yours Sincerely,

Layla Ali Al Baqlawa

Chief Payroll & Personnel
